

HackFest'23

RULES AND REGULATIONS:

- **Timing:** Hackathon is for 12 hours. It will be in virtual mode from 8am to 8pm on 18th June.
- **Eligibility:** Students enrolled under any technical course are eligible.
- Members should provide their proper details at the time of registration like team name and member details.
- **Team size:** Team should consist of minimum 2 and maximum 4 members.
- **Fee:** Team has to pay an entry fee of 400 Rs, if abstract got selected. • **The domains are:**

1) General Engineering

2) IoT

3) Augmented Reality

4)Block Chain

5) Cybersecurity

6) Data Science

7) Machine Learning

8) Social Media Energy

9) Electric Vehicle

10) Energy

- Each team must select one track from the above-mentioned ones and submit abstract of about 500 words for the same in the given format.

Prerequisites: Up to 40% of the project can be completed before coming to hackathon.

Phases: There will be 3 checkpoints:

In each checkpoint, progress will be checked allotting some points based on which evaluation is done and mentors will be provided right from the start.

- a) 1st checkpoint would be around 12.30pm.
 - b) 2nd checkpoint will be around 3:30pm.
 - c) 3rd checkpoint will be around 6.30pm. (Timings might vary)
- **Final round:** For final round selected teams will be shortlisted after 3rd round of mentoring. Teams that make it to final round will be given up to 7 minutes to present their finished project to a panel of judges and 3 minutes for questioning.

- **Mentorship:** A mentor from renowned companies like Cisco, Wolters Kluwer, Airbus, Nuclei, Zscaler, MercedesBenz, yellow.ai, Amazon, J P Morgan, Speridian technologies. will be allotted to each team who will guide them throughout the hackathon.
- Github will play a crucial role as teams will have to push their progress in each phase. Participants need to commit changes in github at least once before each checkpoint.
- **Judging Criteria:** Projects will be judged based on innovation, technical complexity, feasibility, and impact. The judges' decision is final and cannot be contested.
- **Certificate:** Certificate of participation will be provided to all participants.
Teams are expected to come up with innovative ideas. Any plagiarism will lead to disqualification.
- Follow our instagram page and visit website for updates regarding event.

- **Abstract Submission:** Each team should submit their respective abstract on or before 13th June. Upload the abstract on link provided below. [link](#)
- **Code of Conduct:** Participants must behave in a professional and respectful manner at all times. Any form of harassment, discrimination, or hate speech will not be tolerated and may result in immediate disqualification.
- **Intellectual Property:** Participants own the intellectual property rights to their projects. However, by participating in the hackathon, participants grant the organizers a nonexclusive, royalty-free license to use, reproduce, and modify their projects for promotional and educational purposes.
- **Communication:** Participants can communicate with each other and with the organizers using the communication channels provided by the organizers. Participants must not engage in any private communication with the judges.
- **Technical Requirements:** Participants must use their own hardware and software and must have access to a stable internet connection. We will not provide any technical support. We won't be responsible for any kind of issue created due to internet.

Disqualification: Participants may be disqualified for violating the rules and regulations or for engaging in any unethical or illegal behavior.

- **Prizes:** Prizes will be awarded to the top teams as determined by the judges. Prize includes cash prize worth **40K**.
